NPCIL/QAD/APPR/Welding Consumables/ 474

December 02, 2019

LETTER OF APPROVAL

Sub: Renewal of Approval of welding consumable

This is to certify that following brand of welding consumable has been tested in accordance with the classification SFA 5.4 of ASME Section II Part C-Edition 2017 and confirm that this brand meets the requirements stipulated therein.

| | | |
|-----------------------|---|--|
| Name of Vendor | : | M/s Royal Arc Electrodes Ltd. |
| Address | : | Survey No.49, Hissa No.3A Village Devdal, Vasai (E), Thane 401 208 |
| Brand name | : | Classification |
| ROYAL 1C | | AWS/ E 308L-16 |

The above welding consumable is approved for use on NPCIL jobs. However batch qualification where required for NPCIL job will be needed to be carried out.

This renewal of approval is valid upto **October 2024**. Within the approval period, vendor will be subjected to periodic audit by NPCIL or his authorized personnel. Based on the performance in the audits, renewal of approval will be continued upto the validity period. This renewal of approval will also be reviewed in case any qualification problem is brought to our notice.
